WORK EXPERIENCE

ETC Vibes   Remote
Software Developer Intern   Jan 2024 - Present

- Responsible for designing and developing multiple web pages, modifying existing ones to enhance user experience, and ensuring seamless functionality across devices.
- This role has provided invaluable hands-on experience in software development, refining my expertise in responsive design, interface development, and problem-solving.
- Additionally, I've sharpened my collaboration skills, working effectively with cross-functional teams to deliver projects efficiently

Nedstarcorp Tech. Solutions   Remote
Frontend Developer   July 2024 - Jan. 2025

- I was responsible for developing modern web applications and revamping outdated ones.
- I contributed to a variety of projects, including e-commerce platforms, real estate websites, and more.
- This experience honed my skills in creating user-friendly interfaces and optimizing functionality, ensuring that each project aligned with client expectations and industry standards.

FlexiSaf Edusoft LTD   Hybrid (Abuja)
Frontend Developer (SIWES)   May 2024 - Oct. 2024

- During my exceptional SIWES training experience, I excelled in a structures curriculum with weekly learning objectives, masterfully leveraging provided resources to accelerate my skill development in frontend development as a whole.
- Through dedication and perseverance, I progressively built a strong foundation in web development, culminating in the successful development of a note-taking application.
- My SIWES experience was a resounding success, equipping me with the skills, confidence and passion to excel in my future endeavours.

EDUCATION

Bachelor of Science: Computer Science   **Nov. 2021 - Oct 2025**
Redeemer's University, Ede, Osun State.
